

## Free Occupational & Speech-Language Screenings

Early detection and intervention is the best way to identify concerns and initiate treatment as needed. Below is a list of the areas of development that are covered in our screenings:

### Occupational Skills

Social, Visual and Motor Development  
Pre-writing Skills  
Sensory Integration

### Speech-Language Skills

Pronunciations of Sounds  
Listening and Understanding  
Social Use of Language

We will provide you with written notification of the results of your child's screening. You can reach us at 847-6773 with any questions or email us at: [info@advantagetherapync.com](mailto:info@advantagetherapync.com)  
For more information please see us at our website: [www.advantagetherapync.com](http://www.advantagetherapync.com)
